Action Taken Report as on ***05.10.18***

- Mentoring system and proper documentation have already been introduced in the college. Emphasis is given to the students with any Honours subject. Each department maintains mentoring registers which keeps record of all academic and other details of a mentee. For programme students mentoring is done in group on a prescheduled day. Mentoring of Programme students are also done on the day of Induction Programme each year.

- Process of Academic and Administrative Audit for 2017-18 has been started .All academic departments, library and office have been asked to submit their profile in prescribed formats as soon as possible. After collection and analysis, all documents will be sent to the Bankura University for External academic and Administrative Audit.

- The Governing Body has granted Rs, 1 Lakh from the college fund for promotion of research works by the faculty members as well as the students of the college. Such research works must involve students of the concerned departments. Distribution of the fund may be in the following way:

  Arts and Commerce Deptts ---4 research proposals(maximum Rs.10,000/- for each)

  Science Deptts---4 research proposals(maximum Rs.15,000/- for each)

- More Classrooms with ICT facilities have been constructed and projectors, laptops and other technological facilities have been provided to these rooms.
