Programme Schedule

Career opportunities in Commerce Education: Challenges & Prospects

Requested to take seat on the Dias:

1. Dr. Swapna Ghorai, Principal, Ramananda College, Bishnupur
2. Ms Sucharita Chakraborty – Joint Director (Studies), The Institute of Cost Accountants of India
3. Mr. Dibbendu Roy- Joint Director (Professional Development), The Institute of Cost Accountants of India
4. Prof. Arup Kr. Ghosh- Senior most teacher of commerce Dept. Ramananada College
5. Dr. Narendraranjan Malas –Coordinator, Career advancement Center, Ramananda College
6. Dr. Uday Chand Das- Head, Dept. of Commerce, Ramananda College

As per above order by students of Commerce Department
(**Rituparna Chatterjee**, *3rd year, B.Com*, **Sneha Singhai**, *1st year B.Com*, **Prity Basia**, *1st year, B.Com*)

1. Inaugural speech –by Principal

Discussion:

a. Prof. Arup Kr. Ghosh
b. Dr. Narendraranjan Malas
c. Ms. Sucharita Chakraborty
d. CMA Dibbendu Roy
e. Conclusion & Vote of thanks – by Dr. Uday Chand Das, HOD, Commerce Dept.
f. Hand over mementos to the two guests by Dr. Swarup Kr. Jana & Dr. Tapas Kr. Sarkar.

Dibbendu Roy 5:42 PM (49 minutes ago)

Dear Sir,

Good Evening.

This is to state that the undersigned along with **Ms. Sucharita Chakraborty, Joint Director (Studies)** and Shri Sri Chandra, Jr.Peon who would be assisting us for the programme on 15th December, 2015. We would be coming by the morning train of Ruposhi Bangla and would be leaving on that very day only.

Kindly arrange a mike and a projector for the programme. We would be bringing our laptop and materials for 100 participants.

Thanking You.

Yours faithfully,

CMA Dibbendu Roy

- Funded by: **College**
- Date: **15.12.2015**
- Level: **College Level**
- Number of participants: **145**
- Details of Resource person(s): **CMA Dibyendu Roy, Joint Director (Professional & Development), ICAI, Kolkata and Ms. Sucharita Chakraborty, Joint Director (Studies), ICAI, Kolkata.**
- Objective: **To develop skills such as conceptual skills, technical skills and practical skills in the field of industry, commerce, management and accounting. To prepare a student for a career in business or to start a business enterprise of his/her own. Besides, a graduate in commerce had ample opportunities as he can join any private institute or government organization as a specialist in any of the Commerce stream and they can also pursue professional courses such as Chartered Accountant, Cost Accountant and Company Secretary.**
- Outcome**: Due to recent policies of the Indian government, commerce sector is growing at an unbelievably fast pace. Career options for commerce students include those in the accounting, auditing, finance, and banking sectors as well as Government service opportunities like I.R.S., I.A.S., I.F.S., etc.**

Workshop on "Hands on –Experiments on Optical Science"

Science Centre Midnapore organized a non-residential workshop on "Hands on –Experiments on optical science" supported and catalyzed by NCSTC, DST, New Delhi in collaboration with IAPT - Midnapore College Centre and Ramananda College on and from **21st July to 23rd July, 2016**. Venue of the workshop was Ramananda College. 5 students of class X and 5 students of class XII along with a Physics Teacher as Mentor from nearby schools participated in the programme. Students were able to perform innovative optical experiments. **Dr. S. C. Samanta and Sri S. K. Pan** from Midnapore Science Centre and Teachers of Department of Physics acted as resource persons in the three days long programme. Moderate lunch was provided. Students enjoyed the programme very much and learned various text book related theories by simple experiments using minimum available ingredient and instruments. **The objective of this workshop was to develop research aptitude among students.**

Characterization of Nanomaterials

- Name of the organizing Department: Physics
- Collaborating Agency : Department of Physics, The University of Burdwan
- Title of the Workshop / Seminar: **"**Characterization of Nanomaterials**"**
- Funded by: University Grants Commission (Eastern Regional Office)
- Date(s): 22-23rd September, 2016
- Level: National
- Number of participants: 104 [Students: 65 + Teachers & Research Scholars: 39].
- Details of Resource person(s):

Sl. No.	Name	Topic	Affiliation
1	Prof. P. K. Chakrabarti	An overview of nanomaterials	Department of Physics, The University of Burdwan, West Bengal.
2	Prof. K. K. Chatterjee	Introduction to Characterization of Nanoscale Materials: Scanning probe microscopy and related techniques	Department of Physics, Jadavpur University, Kolkata, West Bengal
3	Prof. S. Mukherjee	Synthesis and Characterization of nano composites	Department of Physics, IIEST, Shibpur, Howrah, WB
4	Dr. A. K. Chakraborty	Characterization of nanomaterials employing X-ray photoelectron spectroscopy	Department of Physics, National Institute of Technology, Durgapur, West Bengal.
5	Dr. A. Singha	Spectroscopic Studies on Low Dimensional Systems	Department of Physics, Bose Institute, Kolkata, West Bengal.
6	Dr. S. Das	Biosynthesis of Metal Nanoparticles and its Application in Water Purification	Central Leather Research Institute, Chennai.
7	Dr. Prabir Pal	Surface and interface properties of oxide heterostructures	National Physical Laboratory, New Delhi.
8	Dr. Mrinal Pal,	Application of nanomaterials in our daily life	Central Glass and Ceramic Research Institute, Kolkata.

Objective: The fundamental of nanotechnology lies in the fact that properties of materials change dramatically when their size is reduced to the nanometer range. In this small size both surface effects become dominant and quantum size effect occur. So, there are many challenges in the research and development of nanotechnology based products. The precise control of nano-particle size, size distribution and the study of electronic and optical properties at nano level need sophisticated characterization techniques such as X-ray Diffraction (XRD), electron microscopy (SEM, TEM, HR-TEM), atomic force microscopy (AFM), UV-Visible, Photoluminescence spectroscopy (PL), Infrared spectroscopy (IR), Raman Spectroscopy, X-ray photon spectroscopy (XPS) etc. In this seminar there were vast discussions on the basic principle of various instrumental techniques and their use in the field of nano technology and nano-science. The primary objective of this seminar was to provide a theoretical back ground as well as practical aspects of the methods that are widely used to characterize nanomaterials.

Outcome: The seminar was definitely beneficial for the different strata of educationalist and students. The students took part in this seminar with great enthusiasm. Participants gathered diversified knowledge of different nano-material characterization technique. It provided a unique opportunity for the faculties of Universities, Colleges and researchers to exchange their ideas, views and information regarding the recent advancement in the field. For the undergraduate students, it was an introduction programme for introducing themselves to the various aspects of nanomaterial characterization. It was a great opportunity for them to meet resource persons of national and international repute. **Scholars, researchers, teachers have presented research papers and delivered speeches on research areas related to this topic.** This helped the students a lot to motivate themselves for pursuing research career in future.

One Day State Level Seminar on Science and Technology for National Development

- **Venue:** Ramananda College, Bishnupur, Bankura
- **Date:** 11/03/2017
- **Collaborating Agency:** The Department of Physiology and Department of Nutrition, Ramananda College in collaboration with the Indian Science Congress Association, Kolkata Chapter.
- **Dignitaries present:**
  1. Shri Shyamal Santra, Hon'ble Minister of State, Govt. of West Bengal and President, Governing body, Ramananda College
  2. Dr. Swapna Ghorai, Principal, Ramananda College
  3. Prof. Ananga Mohan Chandra, Convener, ISCA, Kolkata Chapter
  4. Dr. Manoj Kumar Chakrabarti, Ex-General Secretary (Mem. Affairs) & Ex-Director-in-charge, NICED, Kolkata
  5. Prof. Tushar Kanti Ghosh, Treasurer, ISCA, Kolkata chapter
  6. Dr. Amit Krishna De, Executive Secretary, ISCA, Kolkata Chapter
  7. Prof. Prakash Chandra Dhara, In charge of Sports and Ergonomics Unit, Dept. of Human Physiology with Community Health, Vidyasagar University, Midnapore
  8. Dr. Nibedita Chakrabarti, Principal, Victoria College and Ex-Council Member, ISCA, Kolkata chapter
  9. Prof. Banibrata Mitra, Govt. Nominee, Governing Body, Ramananda College

- **Summary of the day's activity:**
  1. First half of the seminar constituted technical session 1 whereby the focal theme of the seminar and the upcoming Indian Science Congress Meet was introduced and deliberated on.
  2. Dr. Amit Krishna De gave a lecture on "Indian Spices" enlisting the medicinal and health benefits of various common and underutilised spices.
  3. Prof. Prakash Chandra Dhara delivered an enriching lecture on ergonomic adaptations and inventions of common household appliances.
  4. Post lunch break, the second technical session comprised of participation of undergraduate students for oral and poster presentations with the esteemed dignitaries judging, advising and guiding the students and interacting with them informally.
  5. The participants of this research oriented seminar was beneficial for students and faculty members.

A mass 'm' heated to a temperature T at t = 0 and losing heat to the surroundings at temperature T_0 by Newton's Law of Cooling will RELAX to the temperature of the surroundings if the source of heat is removed
$ms\, d\theta/dt + \alpha\theta = 0$
's' is the specific heat; 'α' the constant in Newton's law of cooling and $\theta = T-T_0$
$d\theta/dt + \theta/\tau = 0$; $T(t)=(T-T_0)\, e^{-(t/\tau)} + T_0$

ABP

To
The Principal,

Dear Sir/ Madam,

Greetings from ABP Pvt Ltd.

As part of continuing effort we at ABP have always tried to provide the youth with a platform to recognize, showcase and be successful. This time the group wishes to be the wind beneath the wings for all the college students who dream to be successful.

In our endeavour to create numerous opportunities for the college students for their overall development and to enhance their confidence and personality we bring a workshop on facing the interview & need for right grooming to your college in association Anandabazar Patrika. We are committed in our effort to enhance the standard of the college-educated students to make them more 'employable' in the industry and to honour the commitment, ABP shall employ the best four students across Bengal at the end of this campaign!

In this context, we request your support for this initiative and join us in our journey to identify the right talent among the students from your esteemed institute.

For the purpose we hereby request you to provide us with the following:-

- **College activity Date & Time**
- **Pestering a week prior to the activity date**
- **Registration & Face the interview, grooming workshop**

Other points

1. **ABP Representative will judge the college event. We will be pleased to have a representation from your college as part of the jury**

2. **Criteria for selection:**

    - **Appearance**
    - **Smartness**
    - **Presentability**
    - **Knowledge**

The above will be evaluated in the form of written round on Current affairs and Group discussion

- **Date**: 03.10.2018
- **Level**: COLLEGE
- **Number of participants**: 150

- **Objective:** The main objective is to enhance the the standard of the college educated students to make them more employable in the industry and to honour the commitment and shall enjoy the best four student across the Bengal.
- **Outcome:** Opportunities for the college students for their overall development and to enhance their confidence and personality. **The programme focused on building confidence and skill among the participants so that they can cope up with the competitive world and take initiative for self-employment.**

Request volunteers from your college who can help us in the execution

3. **Similar activity will be conducted in 150 colleges across the Bengal in 22 districts. The best student per college will qualify for the Finale. The Finale will be judged by a jury of industry experts accompanied by the representatives of ABP. Overall selected winners from the campaign to be placed with ABP Pvt Ltd.**

4. **The event will draw coverage in the publications and we will obtain necessary no objection letters from those featured.**

Sir/ Madam, our endeavour to make this event a grand success will be incomplete without your valued support. We invite you to become a valued partner in making "Gillette Guard Presents Safalya Haather Muthoy in association Anandabazar Patrika" a grand success by allowing and encouraging the students of your esteemed institution to participate in this Program.

We look forward to your positive response towards our proposal.

RAMANANDA COLLEGE

Report on Workshop / Seminar

- Name of the organizing Department(s): **Research Committee**

- Title of the Workshop / Seminar: **Researchers' Meet—Phase-1**

- Funded by: **Ramananda College**

- Date(s): **14/03/2019**

- Level: National / International / State / Other**: Institutional**
- Number of participants: **141**

- Details of Resource person(s): **1) Mr. Parnab Chatterjee, Librarian, Ramananda College**
  2) Dr. Nilanjana Chatterjee, Assistant professor of Zoology, Ramananda College
  3) Dr.Madhumita Dalal, Assistant professor of Physics, Ramananda College

- Objective: Discussion and interaction over current issues of research work conducted by teachers and students of different departments of Ramananda College.

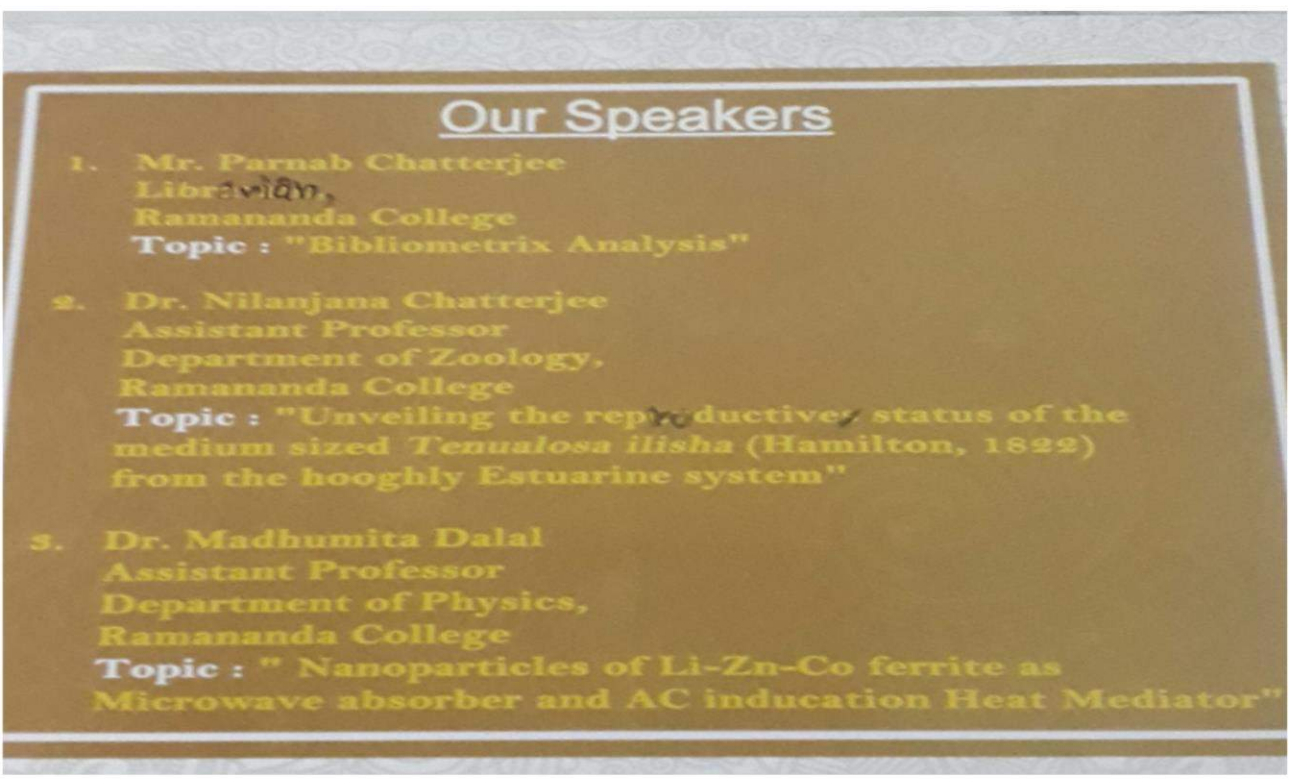

- Outcome: 1) The students and teachers participated in Rerearchers' Meet could acquire a clear conception from the Presentation of Mr. Chatterjee of how *Bibliometric Analysis* helps to develop a statistical and scientific method of measuring effectiveness of publications from various disciplines –pure science, medical science, social science and humanities.

  2) The lucid and attractive deliberation of Dr.Chatterjee made the participants from different disciplines especially from Zoology to understand how applied Zoological research in *Reproductive Status of a particular Variety of fish (Ilisha)* helps to increase production and consumption of edible fish.

  3) From the valuable disquisition of Dr. Dalal, the participants availed the opportunity to have a popularised version of a technical research work in Physics related to the practical application of *Nano-particles of Ferrite of Lithium-Zinc-Cobalt* as microwave absorber and AC induction heat mediator.

  4) From the discussion in diversified research area, the new-comers in research field could conceptualise the basic research methodology lying behind research work in any discipline.

Researchers' Meet
The Research Cell of Ramananda College cordially invites you to the Researchers' Meet (Phase 1).

Seminar on Igniting Young Minds-Exploring the Scope of Organized Research

RAMANANDA COLLEGE

Report on Workshop / Seminar

- Name of the organizing Department(s): **Research Committee**

- Title of the Workshop / Seminar**: Igniting Young Minds-Exploring the Scope of Organised Research**

- Funded by**: Ramananda College, Bishnupur**

- Date(s): **26/02/2019**

- Level: National / International / State / Other**: Institutional**

- Number of participants: **140**

- Details of Resource person(s): 1**) Dr. Samar Kr.Dutta,** Retired Professor of Indian Institute of Management, Ahmedabad
  2) **Dr. Sabyasachi Chatterjee**, Assistant Professor of Botany, Ramananda College, Bishnupur

- Objectives:
  1) Promoting academic as well as pragmatic research aptitude among teachers and students of the College.

  2) Encouraging quality research in Bishnupur, situated in a backward district.

  3) Generating a knowledge base of research methodology

  4) Propagating awareness regarding institutional funding and scope of organised research.

- Outcome:
  1) Participant students of the seminar were largely benefited by the presentation of Prof Chatterjee Sharing a vivid guideline for preparing a research proposal.

  2) The young researchers got elaborate information regarding international, national and state level funding agencies and types of grant for organised research.

  3) From the valuable deliberation of the experienced senior Professor Dr. Dutta, the student participants could realise how research aptitude helps creating probing, analytical, creative and socially useful minds.

  4) The younger generation of this backward area was inspired for a value based transformation from a mechanistic, market based and narrower outlook towards a peaceful and sovereign mind set dynamic enough to 're-think' and 're-search' for a better society for all.

কলেজে ছাত্রদের চাকরির প্রশিক্ষণ

নিজস্ব সংবাদদাতা

বিষ্ণুপুর

কলেজের পড়ুয়াদের কর্মসংস্থানে উদ্যোগী হল বিষ্ণুপুরের রামানন্দ কলেজ। একটি বেসরকারি তথ্য প্রযুক্তি সংস্থা প্রশিক্ষণের মাধ্যমে ওই কলেজে 'ক্যাম্পাসিং' করতে এগিয়ে এসেছে। বর্তমান ও প্রাক্তনীদের মধ্যে মোট ৬৭ জন ২০ দিনের প্রশিক্ষণ ও কলেজ ক্যাম্পাসিং-এ যোগ দেন। অধ্যাপকদের ধারণা, তাদের মধ্যে কয়েকজনের চাকরি পাওয়ার সম্ভাবনা রয়েছে।

ওই সংস্থার প্রশিক্ষক মহম্মদ আলিজ জোহার বলেন, "কলেজ পড়ুয়া ও প্রাক্তন ছাত্রছাত্রীদের প্রশিক্ষণ দিয়ে পরীক্ষার মাধ্যমে চাকরিতে সুযোগ দেওয়া হবে। ক্যাম্পাসিং-এ তফসিলি জাতি ও উপজাতি পড়ুয়াদের চাকরির সুযোগ তুলনামূলক বেশি।"

রামানন্দ কলেজের অধ্যাপক তথা ক্যাম্পাসিং কো-অর্ডিনেটর অর্পণ ভট্টাচার্য বলেন, "চাকরির জন্য উপযুক্ত প্রশিক্ষণ দেওয়ার ভাবনা অনেকদিন ধরেই ছিল। অবশেষে এই তথ্য প্রযুক্তি সংস্থা রাজি হওয়ায় আমরা প্রশিক্ষণ শুরু করেছি।"

কলেজের অধ্যক্ষা স্বপ্না খড়ই বলেন, "পড়ুয়ারা বিনাব্যয়ে যেমন প্রশিক্ষণ পাচ্ছেন, তেমনই লিখিত ও মৌখিক পরীক্ষার মাধ্যমে সংস্থায় সরাসরি চাকরি পাওয়ার সুযোগ থাকছে। শিল্প প্রতিষ্ঠানের সঙ্গে শিক্ষা প্রতিষ্ঠানের সংযোগে বাড়লে কর্মসংস্থানও বাড়বে। এ ধরনের ক্যাম্পাসিং যাতে মাঝে মধ্যেই হয়, আমরা সে জন্য আবেদন জানাব।" কলেজ সূত্রে জানা যায়, প্রশিক্ষণের মধ্যেই পড়ুয়াদের ত্রুটি বিচ্যুতি নিয়েও আলোচনা করবেন সংস্থার কর্মকর্তারা। পরীক্ষার পর পড়ুয়াদের শংসাপত্রও দেওয়া হবে।

ক্যাম্পাসিং-এ যোগ দেওয়া বিষ্ণুপুরের আগমনী যোগী, প্রিয়া দত্ত; বাঁকাদহ গ্রামের শ্রাবণী মুর্মু, কুলাইজুড়ি গ্রামের পিয়ার আলি খান; গোয়ালতোড়ের তাপস পাত্ররা বলেন, "চাকরির পরীক্ষায় বসার জন্য কোচিং সেন্টারের খরচ জোগানোর ক্ষমতা অনেকের নেই। তাই এই প্রশিক্ষণে আমরা উপকৃত হব। চাকরি পেয়ে গেল ভাবনা ঘুচে যাবে।"

Sub: Constitution of Biodiversity Management Committee in Bishnupur Municipality, Bankura district

Sir,

Acknowledging receipt of your letter (vide memo no. 3089/XI - 8 dated 05/12/2017) and express satisfaction to note that Biodiversity Management Committee of Bishnupur Municipality has been officially constituted.

However, under the provision of this Act, a Biodiversity fund is to be maintained by the BMC for the grants and loans to be made by the State and Union Government to the BMC. For this purpose **a dedicated bank account** is to be opened with any nationalized bank for maintaining monetary transactions of the BMC, which may be operated jointly by two designated persons from the BMC.

The concerned BMC will be required to initiate necessary activities for preparation of People's Biodiversity Register (PBR) (documentation of biological diversity and related traditional knowledge) in the selected area in order to facilitate implementation of the provisions of the Biological Diversity Act, 2002 as per the mandate of Sec 41 (1).

Considering above, you are requested to do the needful in the matter by passing necessary instructions to the persons concerned. Should you require any further assistance kindly feel free to contact the undersigned as and when required.

Yours faithfully,

Sd/-

Ramananda College at a glance

Ramananda College, affiliated to Bankura University, is located in the heritage town of Bishnupur and named after Internationally renowned journalist, editor, social reformer and essayist Ramananda Chattopadhyay. The motto of the college ***Sraddhaban labhate jnanam*** expresses the aims and objectives of the management, teachers, learners and non-teaching staff of this institution. The foundation of this college to a great extent caters the need of the local populace. Since its inception in 1945 the college has been serving for more than 71 years as the Alma Mater of thousands of students coming from rural Bengal. It is the only full-fledged degree college with all the three major conventional streams - B.A., B.Sc. and B.Com (Honours and General course in 19 and 20 subjects respectively) in the entire locality. In addition, our college offers PG courses in Bengali, English, Sanskrit, Mathematics and Botany. The Vision of the college is to provide best academic standards and opportunities to its students and equip them with such skills that will help them to become global citizens.

Biodiversity Management Committee, Ramananda College organizes this international seminar on BIODIVERSITY AND ITS CONSERVATION.

Theme of the Seminar

The biosphere constitutes a vital life support system for man. Its existence in a health and functional state is essential for the existence of human race. It is the complex collection of innumerable organism - the biodiversity which makes our lives both pleasant and possible. Complex beyond understanding and valuable beyond measure biological diversity is the total variety of life on our planet. The fast rate of extinction of life forms which is causing serious concern to us. Before man's appearence our this planet the rate of extinction was one species per thousand years. However the pressure of human activities has drastically changed the picture. In a span of three hundred years between 1650 A.D. to 1950 A.D. about 30 species of high animals here lost and now we are probably losing one species every year. No doubt it is impossible to preserve all of the species but prudence demands that we should intensify our efforts far exsitu as well as in situ conservation.

About Bishnupur

It is located at 23005'N 87019'E. It is located in the Bankura district of West Bengal and is famous for the terracotta temples made from the locally available laterite stones.

Bishnupur was the capital of Malla Kings. Bishnupur's glorious past is emulated in its traditional architecture, monuments and handicrafts such as pottery and weaving. Under the patronage of Malla Kings, Bishnupur developed as a town of several temples with unique terracotta work.

Bishnupur is also known for its traditional handloom saris as well as terrocotta pottery, artifacts and jewelry and the Bishnupur school of painting.

The rich tradition of the Bishnupur Gharana, a school of classical music is kept alive through local music academies.

Communication

Bishnupur is well connected via roads to almost all major places of Bengal. Long distance buses connect Bishnupur to places like Kolkata, Durgapur, Asansol, Midnapur, Kharagpur etc. There are regular and frequent bus services available between Kolkata and Bishnupur. Bishnupur is well connected by rail to the rest of the country via Kharagpur and Adra. Nearest International Airport is Dumdum, Kolkata (Netaji Subhas International Airport) Which is about 140 km from Bishnupur.

Invitation

Ramananda College cordially invites the teachers, students and research scholars to participate in the One Day National Seminar on the topic 'Biodiversity and Its Conservation' which is scheduled to be held on 2nd March, 2020 at the College

Co-operation from all corners is highly solicited.

Ramananda College at a glance

Ramananda College, affiliated to Bankura University, is located in the heritage town of Bishnupur and named after Internationally renowned journalist, editor, social reformer and essayist Ramananda Chattopadhyay. The motto of the college ***Sraddhaban labhate jnanam*** expresses the aims and objectives of the management, teachers, learners and non-teaching staff of this institution. The foundation of this college to a great extent caters the need of the local populace. Since its inception in 1945 the college has been serving for more than 71 years as the Alma Mater of thousands of students coming from rural Bengal. It is the only full-fledged degree college with all the three major conventional streams - B.A., B.Sc. and B.Com (Honours and General course in 19 and 20 subjects respectively) in the entire locality. In addition, our college offers PG courses in Bengali, English, Sanskrit, Mathematics and Botany. The Vision of the college is to provide best academic standards and opportunities to its students and equip them with such skills that will help them to become global citizens.

Biodiversity Management Committee, Ramananda College organizes this international seminar on BIODIVERSITY AND ITS CONSERVATION.

Theme of the Seminar

The biosphere constitutes a vital life support system for man. Its existence in a health and functional state is essential for the existence of human race. It is the complex collection of innumerable organism - the biodiversity which makes our lives both pleasant and possible. Complex beyond understanding and valuable beyond measure biological diversity is the total variety of life on our planet. The fast rate of extinction of life forms which is causing serious concern to us. Before man's appearence our this planet the rate of extinction was one species per thousand years. However the pressure of human activities has drastically changed the picture. In a span of three hundred years between 1650 A.D. to 1950 A.D. about 30 species of high animals here lost and now we are probably losing one species every year. No doubt it is impossible to preserve all of the species but prudence demands that we should intensify our efforts far exsitu as well as in situ conservation.

About Bishnupur

It is located at 23005'N 87019'E. It is located in the Bankura district of West Bengal and is famous for the terracotta temples made from the locally available laterite stones.

Bishnupur was the capital of Malla Kings. Bishnupur's glorious past is emulated in its traditional architecture, monuments and handicrafts such as pottery and weaving. Under the patronage of Malla Kings, Bishnupur developed as a town of several temples with unique terracotta work.

Bishnupur is also known for its traditional handloom saris as well as terrocotta pottery, artifacts and jewelry and the Bishnupur school of painting.

The rich tradition of the Bishnupur Gharana, a school of classical music is kept alive through local music academies.

Communication

Bishnupur is well connected via roads to almost all major places of Bengal. Long distance buses connect Bishnupur to places like Kolkata, Durgapur, Asansol, Midnapur, Kharagpur etc. There are regular and frequent bus services available between Kolkata and Bishnupur. Bishnupur is well connected by rail to the rest of the country via Kharagpur and Adra. Nearest International Airport is Dumdum, Kolkata (Netaji Subhas International Airport) Which is about 140 km from Bishnupur.
