- **Summary of the Event:** Our College has adopted the Avantika village of Dwarika-Gosainpur Gram Panchayat in January 2020. The goal was to provide help to the villagers with regards to education, health care, hygiene etc. However due to the covid-19 pandemic not a lot could be done yet. We organised a COVID-19 awareness program in the village, where the villagers have been given information relating to the novel coronavirus and precautions. We provided hand sanitizers to almost 300 families, and masks to approximately 1000 people, along with chocolates to the villagers during this programme.
- **Programme outcome:** Understanding the threat of Corona Virus in the World. Our College took the Initiative to make the local people aware of this pandemic disease. We provided hand sanitizers and masks to the villagers. We went to several places on the village holding posters & placards which contain warning messages of COVID-19 to make the local people aware of this global threat. We also provided chocolates for refreshments. This campaign was a successful one. Our college has planned to arrange such awareness programmes in the neighbouring areas.
