Message

It is my proud privilege to serve this premier Higher Educational Institution as Principal. I feel very much compassionate towards this college, comprising of well-qualified teachers, skillful non-teaching staff and my dear students. My aim is to make this college a higher-educational centre dedicated to nation-building. It is my proud privilege to announce that two more U.G. Honours courses and four certificate courses have been started from session 2018-19.These short term courses will enrich the learners with some useful vocational training for growing a self-supporting income-earning process in future.

It gives me pleasure to state that our ex-students are now engaged in India and abroad as principals, professors, scientists, teachers, lawyers and in many other fields. Many of our alumni occupy key positions in the private sector too. I wish them all success and wellbeing both within and without.

I express my gratitude to the Honorable President of the Governing Body of this college, Professor Banibrata Mitra, for always encouraging, advising and helping me to lead the college properly. I also thank other members of the Honourable Governing Body for cooperating with me in different administrative works. I congratulate the teachers, the non-teaching staff-members and the members of the Students' Union for always helping me whenever their help is needed.

My dream is that each student who studies here should acquire sufficient education and life-skills to become next-generation leaders ready to serve the nation both in the government sector as well as in the private sector. I am feeling proud of Ramananda College football team for achieving the champion trophy in Inter College State Sports and Games Championship, 2017-18 organized by Govt. of West Bengal. I am also feeling proud for the selection of our college of Bankura University by the Government of West Bengal for "Celebration of 125th Anniversary of Chicago Speech". The need of the hour is holistic education. I am especially sensitive to the welfare of the underprivileged classes, our minorities and our female students.

AN INTRODUCTION

Ramananda College is a pioneering higher-educational institution located at Bishnupur, within the district of Bankura. It is the sole co-educational Degree College with PG courses recognized by the UGC within Bishnupur town. Since its inceptionin 1945, this institution has been serving the cause of higher education in the local community and also of students from far-away, remote villages. Even today students from other districts are studying here.

Sri Ramnalini Chakraborty, freedom-fighter and social worker of Bishnupur, Sri Radhagobinda Roy, Founder-Principal of this college and ex-minister, Govt. of West Bengal and other eminent community members of Bishnupur decided to establish a college here.
